Revised 11/2015

NorthBay

## PARENT / GUARDIAN CONSENT AND LIABILITY RELEASE FORM

*At NorthBay, health, safety and supervision are paramount. The approach to safety and risk management is accompanied with competence, judgment and purposeful sound programming. The children's safety and well-being is everyone's concern. As a policy of NorthBay we require that a Release of Liability Form be signed as a requirement to attend camp.*

I am the parent or legal guardian of \_\_\_\_\_ (the "Camper") from (school name) \_\_\_\_\_ who wants to attend camp and participate in activities sponsored by NorthBay, LLC ("NorthBay"). I agree to sign this *Consent and Liability Release Form* so my child can attend camp. I promise the information given on this Health Form is complete and accurate as far as I, the undersigned parent or guardian, know. It is true that the Camper has had all immunizations required by the Maryland DHMH Recommended Childhood Immunization Schedule and that the school has these records.

**LIABILITY RELEASE** - I understand that participating in some of the activities sponsored by NorthBay, including canoeing, kayaking, boating, water skiing, hiking, swimming, snorkeling, tubing, fishing, rock climbing, zip line, sport activities, nature activities, and the ropes course, involve certain risks, including the risk of serious injury. I give my permission for the Camper to participate in all of the activities while at NorthBay and agree on behalf of the Camper that I and the Camper assume all risks. I understand that certain camp activities may include traveling in NorthBay owned and operated passenger vehicles. I also agree both for myself and on behalf of the Camper to release NorthBay, its employees, agents, and related entities from and against any and all claims, injuries, and liabilities of any kind that happen while the Camper attends camp, doing any activity connected in any way to the NorthBay program, or caused by any inappropriate behavior on the part of the camper. However, NorthBay will be responsible for claims caused by the gross negligence or intentional misconduct of NorthBay. At NorthBay, we are always trying to improve our programs to provide the best possible experience for our visiting students. As part of this effort, an external evaluation team periodically conducts research on campus. This research involves observing our programs and conducting simple surveys with visiting students. All data are kept strictly confidential. Students are not held responsible for any of their survey responses. The research occasionally results in publications that report on the accomplishments of our programs and what we are learning, so that other programs like ours can learn from our work. By signing this permission form, you are consenting to allowing your son/daughter to participate in this research. Students maintain the right on campus to refuse to take any survey with no fear of any consequences or penalties.

**HEALTH CONSENT** - I have legal authority to consent to medical treatment for the Camper and grant permission for the Camper to engage in all camp activities except as noted. If I cannot be reached while my child is at camp, I give permission to the medical personnel selected by NorthBay to provide routine health care or emergency treatment and to release any records necessary for treatment, billing, referral or insurance purposes. I understand that NorthBay personnel will notify me immediately of any illness or injury that requires significant medical attention or hospitalization or that significantly diminishes the Camper's ability to have a successful camp experience. In the event that I cannot be reached in an emergency, I hereby give permission to the physician selected by the Camp to treat him/her for any injury/illness. I understand medical information about my child is confidential and protected under state and federal law. I give permission for the Camp medical personnel to discuss my child's medical information with his/her health care provider if my child is ill, injured, have any medical or psychological concerns, or take medications. I give permission for the camp medical personnel to share information about my child with his Camp teachers, counselors, and dining when necessary to protect his/her health and safety. I give permission to the Camp to administer any prescription or non-prescription medications that the student brings to camp with them in accordance with Maryland law. I understand that I am responsible for any medical expense occurred while at camp for emergency transport, hospital treatment or medications needed while at camp. I understand that the Camp is not responsible to submit any insurance or prescription claims to my insurance provider.

**AUTHORIZATION FOR OVER-THE-COUNTER MEDICATIONS** - In the event your child experiences minor discomforts during camp, we would like the opportunity to make your child as comfortable as possible. Therefore, below is a list of over-the-counter medications that can be administered by NorthBay personnel with your authorization. These medications are approved by the NorthBay Medical Director using the recommended doses from the manufacturers. This service is provided to alleviate your child's minor discomforts and avoid being sent home early from camp. The below approved medications are intended for occasional use only. If your child requires any medication on a regular basis, you must have a medication authorization form completed by your health care provider and supply the medications. I consent to the administration of the below indicated over-the-counter medications to my child while at NorthBay (check all that apply). If they are NOT checked they WILL NOT be given to the Camper.

# **Medication Guidelines**

**MEDICATIONS ARE NOT ALLOWED TO BE KEPT IN THE CABINS; THEY MUST BE SECURED IN THE WELLNESS CENTER AT ALL TIMES WHILE AT CAMP**

**In order for NorthBay medical staff to administer medications you must provide ALL of the items below:**

1. Medication Authorization Form listing all of the medications brought to camp
  2. Parent/guardian signature at the bottom of the Medication Authorization Form
  3. Physician signature at the bottom of the Medication Authorization Form
  4. A pharmacy label showing the name of the student, medication, strength and dosage instructions on EVERY prescription medication including inhalers, nasal sprays, cream, disc's, etc.
  5. Over the counter medications must be in their original containers – medication in baggies or pill-a-day containers will not be accepted.
- While the student is at NorthBay, all of their prescription and over the counter/non-prescription medication will be secured in the Wellness Center and can be administered by the Wellness Center staff. Before any medication can be administered a NorthBay Medication Authorization Form must be completed and signed by the prescribing physician and by the student's parent/guardian for EACH MEDICATION that is to be given. If the student already has a medication form on file with the school a copy of that form may be sent in lieu of the NorthBay Medication Form as long as it is signed by both the prescribing physician and the parent/guardian. If you are submitting a copy of the school medication form please insure that all the administration times for an entire 24 hours are listed on that form. These forms are due to NorthBay at least 2 weeks prior to the student's arrival.
  - All medications that are to be given while at camp MUST be in their original container (box, pill bottle, etc.) They cannot be in a pill organizer, baggie or envelope. Prescription medications (including rescue inhalers) MUST have the pharmacy label attached to the container and it MUST match the signed NorthBay medication form in order for the student to receive the medication. Medications cannot be expired or more than 1 year past the original prescription date. Sample medications from a doctor's office cannot be administered while at camp.
  - In the effort to ensure the safety of all students, medications cannot be packed in the student's luggage. All medications (including any self-carry medications) must be given to a designated school staff member prior to leaving the school then delivered to the NorthBay Wellness Center immediately upon arriving at camp. The medications will be secured in the Wellness Center for the duration of the camp and returned to school personnel at the end of the week. The medications will be returned to the parent/guardian after returning back to the school at the end of camp. The student cannot keep any medication (other than self-carry medications) in his/her cabin or give medication to his or herself. All medications that the student wishes to self-carry will be redistributed to the students after they arrive at camp and after approval is obtained by the NorthBay RN.
  - **Self-Carry Medications:** The following are the only medications that can be carried by the student while at camp with permission of the NorthBay RN: rescue inhalers (Albuterol, ProAir, Ventolin, Zopenex), Epi-Pens and insulin used while in insulin pumps. These medications must be in the control of the student, educator or counselor/chaperone at all times while at camp and be self-administered with an adult's supervision. If you would like the student to self-carry any of the above medications please send two of each medication so one can be kept in the Wellness Center for quick access during any emergency.
  - **Over-the-counter medications:** The following over-the-counter (OTC) medications can be given as needed by the Wellness Center staff while the student is at camp: Acetaminophen (Tylenol), Ibuprofen (Motrin, Advil), Calamine Lotion, Diphenhydramine (Benadryl), Triple Antibiotic Ointment (for minor cuts/scrapes), & Loratadine (Claritin). Before the student can receive any of these medications the parent/guardian must check the boxes beside the medications that the student is allowed to receive then sign the Parent/Guardian Consent that is on the back of the North Bay Health Form. These are the only OTC medications that the student can receive with just the parent/guardian's consent. If your student requires any medication on a regular basis that is not listed above (i.e. cold medication, cough medication) you must complete a NorthBay Medication Form (signed by a physician) and supply the medication/s while the student is at camp.
  - **Please call the staff at the Wellness Center if you have any questions – (443) 674-9035**
